STATEMENT CONCERNING COLOR DRAWINGS

Sir:

The above referenced application is the national stage of International Application PCT/US2004/011820, filed on April 16, 2004. The above-referenced Application submitted herewith includes 113 sheets of drawings. Two sets of drawings were filed in the original International Application – a first set that included color photographs/drawings, and an auxiliary set all in black-and-white. The color photographs/drawings are helpful to the understanding of the invention. Thus, Applicants include a color set of drawings herewith for consideration as part of the above-referenced application, to the extent allowable.

The Applicants intend to file a Petition for Use of Color Photographs and Color Drawings as Formal Drawings Under 37 C.F.R. § 1.84(a)(2) and (b)(2) in the above-referenced case in due course. The undersigned cordially invites the Examiner to call at the number below in the event any questions arise.
